PUBLIC WORKSHOP INVITATION

Do you want to learn more about how Seychelles wants to protect its ocean, support the local economy, and plan for a sustainable future?

Come and learn about the Seychelles Marine Spatial Plan, and provide your input!

The workshop will be held on ***Mahé on 6 Oct 2017***

9:00 AM to 12:00 PM

At ICCS in Room 2

A presentation on the MSP Initiative will be delivered in all meetings after which the floor will be open for questions and your input.

We'll present the Seychelles Marine Spatial Plan:

- Outputs and timeline
- Maps and spatial data
- Proposed zoning design and managing activities and uses

We look forward to seeing you and to receiving your inputs!

For more information, please contact Ms. Helena Sims; email: helena.sims@tnc.org
